

Dramatis Personae / Who's Who in Second Nature

Francesca said that I had to do this, so I've done it. She also said she wanted to see it before I sent it out. Couldn't be bothered with that.

Evie Mason.

The Akademia

Yeah, okay, as Fran keeps pointing out, we have no idea that these people exist or that I haven't made it all up. One day the truth will come out.

Mortals - England

Adelaide "Addi" Hawkins	Until recently, a Witch of the Daughters and currently unemployed. Mother of twins. Daughter to Alberta "Bertie" Hawkins and cousin to Saffron.
Mila van Kampen	Candidate to become Watch Officer. Younger half-sister to Annelise van Kampen, Prosecutor of the King's Watch.
Róisín "Roz" Sterling	Candidate to become Watch Officer. Older than the other candidates and possessed of an interesting CV. According to Vicky, "Winner of the Ulster Potty-Mouth Championship, three years running." A mistress of disguise.
Ioan MacAllister	Candidate to become Watch Officer. A safe pair of hands and therefore unlikely to work with Conrad.
Gareth Forbes	Currently Librarian at Angel House, Cambridge.
Aurora "Rori" Allerton	Old friend of Rachael's – who has not been around for a while.
St John Allerton	Rori's father.
Camilla Allerton	Rori's evil stepmother.
Emerald "Emma" Hawkins	Saffron's older sister. Last heard of as a member of the Fleet Witches and candidate for Black Sheep of the family. A very competitive race, that. More black sheep than white in that lot if you ask me.

Mortals – Scotland

Athol “Pax” Paxton	Watch Captain for the Isles. That’s the Scottish Isles, in case you were wondering. Briefly appeared in the <i>Tangled Bow</i> story about Karina’s misadventures.
Alastriona Haigh	“Mother of Wolves” – senior Madreb in the Household of the Count of Arran.
Rhoswen Haigh	Alastriona’s elder daughter, who has followed in her mother’s paw prints.
Fiona Haigh	Alastriona’s younger daughter, who has not.
Lexi Haigh	Rhoswen’s daughter. Another chip off the old block.
Mairi Haigh	Fiona Haigh’s daughter.
Clíodhna Ahearn	Senior Madreb in the Household of Countess Kintra. Mother to Eimear – and the late Aisling Ahearn.
Eimear Ahearn	Clíodhna’s younger daughter and another Madreb.
The Late Aisling Ahearn	A Mage of Galway. Arthur Mowbray’s second wife and mother to Morwenna and Kenver Mowbray.
Ladislav	A Barman in Orkney. Only has a very few lines.

The Fae

Prince Corrib (Portarra)	Formerly Countess Corrib who featured in 5LC and at the end of 3RC. A senior noble in the Queen of Galway’s court and Alice’s new Lord.
Her Grace of Dunbarton, Queen of the Rock	Allegedly the oldest Fae Queen in Albion. Has huge territories across Scotland. Even the Red Queen is wary of her
Duke of Gourock	Secretary of State to the Queen of the Rock and responsible for liaising with the outside world. Not Conrad’s No 1 fan. And vice-versa.
Count of Arran	A senior noble in the Queen of the Rock’s service. He is Protector to not one but two packs of Mannwolves.
Countess Kintra	A Fae Countess and Protector of Wolves. Last seen ordering her archers to kill Princess Lussa in the yard at Birk Fell.
Saerdam Greta	The Knight Custodian of Fwalenistee – the Queen of the Rock’s hunting ground at Orkney.
Squire James	A very junior Squire in Saerdam Greta’s service.
David Lockerbie	A Fae Knight who would join Faith’s household. Formerly in the service of the Heather Queen (who Faith killed in <i>Third Eye</i>).
Thea	A Fae Knight and Chamber Guard. Partner to Cleo. Another would-be member of Faith’s Household.
Cleo	Partner to Thea – they present as identical twins.
Luke	A potboy in the Chapelhill Sídh

The Wolves

Most of the Mannwolves who appear in *Second Nature* are from Conrad's pack. The only named Wolf who isn't is "One Eye" from Scotland. You don't need to know any more about him than that.
